

CITY OF MARENGO

NOTICE TO VENDORS AND CONTRACTORS

January 16, 2009

Pursuant to the terms of the Prevailing Wage Act, local units of government must notify contractors and vendors that any construction work on “fixed works” performed for the municipality is subject to the Prevailing Wage Act. In addition to construction work, the Act applies to “maintenance, repair, assembly, or disassembly” of City equipment that is owned, leased, or rented by the City and that is attached to a municipal building, facility or structure.

The law requires that the City provide notice to vendors and contractors who might be subject to this requirement. It is the responsibility of the vendor/contractor to pay the prevailing wage and to maintain and provide the appropriate certified payroll records to local units of government, specifically to the city of Marengo.

Questions regarding this requirement can be directed to Marengo City Hall, 815-568-7112. A list of the prevailing wage rates is available at City Hall. Information about the Prevailing Wage Rate is also available at the Dept. of Labor website, www.state.il.us/agency/idol
