2015 MARENGO RESURFACING PROGRAM

Dear Resident:

The City of Marengo would like to take this opportunity to make you aware that the 2015 Marengo Resurfacing program is anticipated to begin on Monday, **September 28, 2015**.

The project will begin with pavement removal on Willow Road and the patching of Sunset Drive and Van Buren Street. Patching and pavement removal will be followed with the resurfacing of Willow Road, Sunset Drive and Van Buren Street.

Willow Road, Sunset Drive and Van Buren Street will not be closed during construction. Access to residents will be maintained at all times. Flaggers will be utilized during construction to maintain traffic flow.

This project is anticipated to be completed by October 31, 2015.

If you have any additional questions regarding this project, please feel free to contact the City's project manager, HR Green:
