To The Business and Professional Community of **Marengo**:

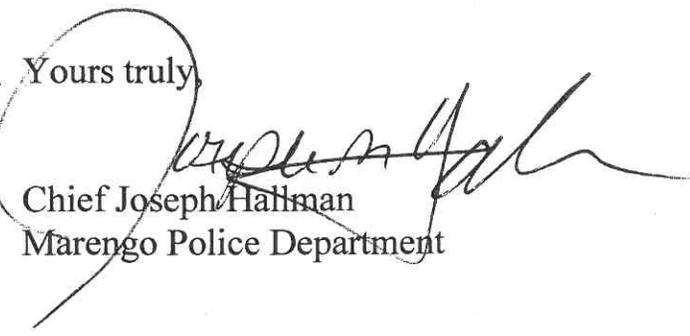

This letter is to introduce a representative of L.A.W Publications. They are working with the **Marengo Police Department** in our ongoing crime prevention and drug education program. We have been involved in crime prevention for some time and must continually look for resources to assist our Police Department in providing these services to our community.

You can assist the **Marengo Police Department** by allowing L.A.W. Publications' representative a few moments to explain the program. They will outline how it will assist our agencies, benefit the community and explain how you can become a sponsor. Each sponsor will receive copies of this material, along with a certificate of appreciation.

We would like to thank you in advance for your time in the consideration of this project. We cannot abandon the battle against crime and drugs. We must protect our community. With your help, we will continue the battle against crime and drugs. If you have any questions, please feel free to call.

Thank you for your assistance.

Yours truly,

Chief Joseph Hallman
Marengo Police Department
